

“(f) LIST OF WATERS.—Beginning not later than 18 months after the date of publication of performance criteria under subsection (a), the Administrator shall maintain a list of discrete areas of coastal recreation waters adjacent to beaches (or other points of access) that are open to the public and are not subject to a program for monitoring and notification meeting the performance criteria established under subsection (a) based on information made available to the Administrator. The list also shall identify discrete areas of coastal recreation waters adjacent to beaches (or other points of access) that are open to the public and are subject to a monitoring and notification program meeting the performance criteria established under subsection (a). The Administrator shall make the list available to the public through publication in the Federal Register and through electronic media. The Administrator shall update the list at least annually.

“(g) EPA IMPLEMENTATION.—With respect to a State that has no program for monitoring for and notification of exceedances of the applicable water quality standards for pathogens and pathogen indicators in coastal recreation waters adjacent to beaches (or other points of access) open to the public that protects public health and safety, after the last day of the 3-year period beginning on the date the Administrator identifies, on a list required pursuant to subsection (f), discrete areas of coastal recreation waters in the State that are not subject to a monitoring and notification program meeting the performance criteria established under subsection (a), the Administrator shall conduct, subject to the conditions of subsection (b)(2), a monitoring and notification program for such discrete areas using the funds appropriated for grants under subsection (b), including salaries, expenses, and travel.

“(h) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated for making grants to States, Indian tribes, and local governments under subsection (b), including implementation of monitoring and notification programs by the Administrator under subsection (f), \$30,000,000 for each of fiscal years 2000 through 2004.”.

#### SEC. 5. DEFINITIONS.
